

# Cash Dispense ATMs

## H22 Series

Lobby model: H22VL

Walk-up model: H22V

Drive-up model: H22ND

The H22 series of ATMs deliver high-performance bundle-cash dispensing, solid security and maximum availability for your financial institution.

ATMs play a key role in your branch transformation initiatives. Quick and easy access to cash via this self-service channel provides a new layer of convenience for your customers while delivering a host of benefits to your financial institution.

Whether you are looking to upgrade, or simply replace your existing compact ATMs, consider the H22 series. You'll find they are:

- **Easy to use** – A large, color LCD display and high-speed cash dispenser enable customers to conduct transactions quickly and securely.
- **Easy to service** – Equipment uptime is critical to maintaining customer satisfaction and revenue generating activities. You can count on the H22 series to keep running smoothly.
- **Easy on your budget** – High quality, reliable and built to last, the H22 series is also cost-effective.

# Cash Dispense ATMs for lobby, walk-up or drive-up
