

JetScan iFX[®] Field Case by Pelican[™]

Safe, convenient transport for i100 series scanners

i100 machine portability made easy

Put JetScan iFX i100 in the field case and go. On the site of a sting or drug-seizure operation, just open the case, connect the components to a power source, and capture serial numbers of confiscated bills in minutes.

Padding is laser-precision cut to hold:

- One i100 series scanner
- Compatible printer
- Laptop or keyboard
- Paper rolls and supplies

Improve documentation and risk management

Law enforcement divisions often take their JetScan iFX® i100 series machines out into the field to catalog or document cash, or share the machines with other departments. Safe, easy portability

is simple and convenient with JetScan iFX field case.

Ample openings in key areas allow you to connect the device cables right in the case for immediate, no-hassle processing.

A tough exterior prevents accidental machine damage.

Specifications

Dimensions: 24.21" W x 17.48" D x 31.28" H

Approximate weight: 36 lbs. (empty)

Process seized cash easily and securely.

A leader in the transportable protective case industry, Pelican Products, Inc. manufactures the field case to Cummins Allison specifications and warrants product quality.

Secure latches and two stainless-steel padlock protectors safeguard your investment. Ball-bearing casters and a telescopic handle ensure smooth transport between work sites or departments.

- Lightweight, durable, crush-resistant
- Impervious to dust and moisture
